ABOUT THIS ELECTION

About the Second Primary Election:

- Under N.C.G.S. § 163-111, the top candidate for a single office who receives more than 30% of the vote in a primary wins their party's nomination and moves on to the general election. If no candidate in a primary receives more than 30% of the vote, the candidate who receives the second-highest vote total may demand a second primary. The top two vote-getters would be on the ballot for the second primary.
- Registered Republican voters, unaffiliated voters who voted a Republican ballot in the March Primary, and unaffiliated voters who did not vote in the March Primary are eligible to vote in the Second Primary Election.
